This technical drawing illustrates a cross-sectional view of a stack of five rectangular components, labeled 82 through 96. Components 82, 92, 94, and 96 feature dark, textured rectangular patches on their upper surfaces, while component 95 has a similar patch on its lower surface. A vertical line labeled '3' runs from the top of component 82 to the bottom of component 95. A horizontal line labeled '122' spans the width of the stack from the right side of component 96. Numbered callouts point to specific features: '82' points to the top edge of component 82; '93' points to the top edge of component 92; '94' points to the top edge of component 94; '96' points to the top edge of component 96; '95' points to the bottom edge of component 95; '92' points to the bottom edge of component 92; and '86' points to the right edge of component 96.
